From the Office of the
Secretary of the International
Field Archery Association

NEW IFAA DELEGATES

A hearty welcome to the following representatives who has been appointed as delegates to the IFAA:

Hungary – Csaba Laboncz

Belgium – Francis Notenboom

Sweden – Svante Karlstrom

We are looking forward to meeting you at the 2016 World Council meeting in Australia.

OUTDOOR FLINT ROUND

Registration for the 2016 World Outdoor Flint Mail Match (WOFMM) is open and closes on the 17th of July which is the date that the scores for Round One must be submitted. Disabled archers are encouraged to enter the mail match in their own division. The divisions are limited to the Freestyle Unlimited, Freestyle Limited and Bowhunter Unlimited shooting styles for adult men and women. Adults and Young Adults are combined in the same division. Archers who shoot these styles for the first time are required to submit proof of their disability. Information, Rules, Registration etc. can be found on the IFAA Home page.

2016 WIAMM – ROUND 2

The results of the 2016 WIAMM Round 2 is available on the IFAA Web page. All score co-ordinators should verify that their archers are in the correct styles and that the scores are captured correctly. For queries and corrections, contact the International Score Recorder – Grant Gammon at ifaa.mailmatch@gmail.com Round 3 scores to be submitted by 10 April 2016. Take note that all corrections will only reflect in the next publication of the scores.

World Council Meeting

01 May 2016

Submit additional agenda items.

22 May 2016

Submit legislative proposals.

EUROPEAN COUNCIL MEETING

The 19th IFAA European Council meeting in Bucharest, Romania has proved to be an interesting but successful meeting. Delegates from 20 European countries were present. Congratulations to Sebastian Vanky (Hungary) and Saskia Brouwer (France) on their election as EU Chairman and EU Secretary. We wish you and the EU Council success as you embark on this new chapter in the history of the IFAA.

RANGE OFFICERS & EQUIPMENT INSPECTORS COURSE

On 19 & 20 March Martin Koini, one of the IFAA Master Instructors, hosted the first IFAA Range Officers and Equipment Inspectors Course to approximately 50+ archers from the Saalbach-Hinterglemm region in Austria to improve the performance of the officials at the EBHC 2016. The courses were well received and we want to thank the archers of the region, the organisers and the OBSV for their commitment to the tournament. Once the curriculum has been finalised, the courses will be submitted to the IFAA Council members for approval. If successful, such courses will become compulsory for large tournaments and assist in the improvement of IFAA tournaments.

2017 WORLD MASTERS GAMES

Massey Archery Club, one of the NZFAA clubs associated with IFAA archery, will be the host for Field archery event at the 2017 World Masters Games. The event takes place in Auckland from 21-30 April 2017. The Field event consists of the IFAA Marked Field Round and World Archery marked field round. For the IFAA Field round, the rules used for distances, target face sizes and the general running of the shoot will be those of IFAA.

Archers who are interested can visit the WMG website or contact the organisers at <http://www.worldmastersgames2017.co.nz/the-sports/find-your-sport/archery/> Or contact Massey Archery Club Inc. at: <http://www.masseyarchery.org.nz/>

UPDATES AND AMENDMENTS

The Shooting Style pictorials has recently been updated on the IFAA web Page. Kindly inform your members accordingly.

You can also find the Correction to Page 45 of the IFAA By-Laws at this link:

<http://www.ifaa-archery.org/index.php/sample-sites/rules/ifaa-rule-book-2013-2014>

The corrected picture and text will be included in the 2017-2018 edition of the BOR.

Please visit the IFAA website regularly to read about any updates and/or amendments.

EBHC 2016

24 June to 01 July 2016, AUSTRIA

Permission was granted to increase the number of participants for the EBHC 2016 to 2000 archers. Ten tournament ranges will be constructed; a large warm up range and a full practice range will also be available.
